

Novmeber 29, 2012

Hon. Shoshana M. Grove  
Secretary  
Postal Regulatory Commission  
901 New York Avenue NW, Suite 200  
Washington, DC 20268-0001

Dear Ms. Grove:

This transmits the enclosed copy of the Postal Service's progress report regarding the participation rates, compliance, and data yield of bulk First-Class Mail and Standard Mail customers using Full-Service Intelligent Mail. This responds to the requirements in the Commission's FY2010 and FY2011 Annual Compliance Determination Reports that the Postal Service furnish monthly reports of such information.

Thank you for your consideration of this matter.

Sincerely,

A handwritten signature in blue ink that reads "Anthony F. Alverno".

Anthony F. Alverno

Enclosure

**Monthly Progress Report on Full-Service Intelligent Mail Participation and  
Compliance by Commercial First-Class Mail and Standard Mail Customers  
(November 29, 2012)**

The Postal Service previously updated the Commission on the progress of Full-Service Intelligent Mail participation and certification on October 31, 2012.

Between October 1 and November 16, 2012, the Postal Service measured about 1.7 billion First-Class Mail items from 752 active Full Service Intelligent Mail customers. Measured First-Class Mail items with an overnight service standard originated in 66 districts, those with a two-day service standard originated in 62 out of a possible 66 districts, and those with a three-to-five-day service standard originated in 61 districts. For Standard Mail, there were about 2 billion items measured with origin data from all districts for Destination Entry letters and flats, 61 districts for End-to-End letters, and 49 districts for End-to-End Flats. There were over 105 million pieces measured for Periodicals delivered between October 1 and November 16, originating from all districts. For Package Services Bound Printed Matter Flats there were about 788,000 pieces measured quarter-to-date, with origin data for 64 districts.
